

LIBRARIES

Libraries are amazing because...

They offer free books to borrow on millions of topics!

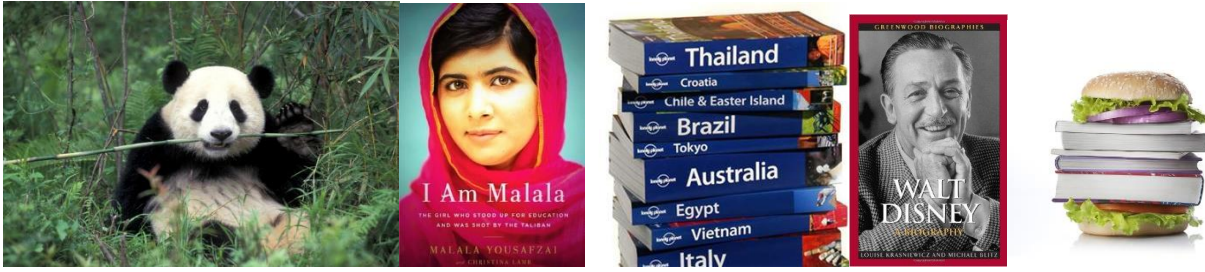

**Books are often broken down into
2 major categories:**

1. Fiction: Books that have to do with imagination

2. Non-fiction: Books that have to do with facts,
real events and real people

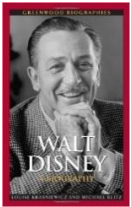

My Preferences With Books

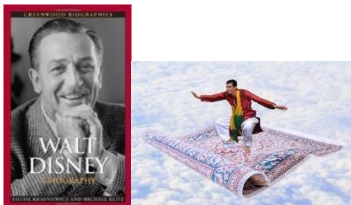

- I prefer books about imagination (fiction)

- I prefer books about facts, real events, people (non-fiction)

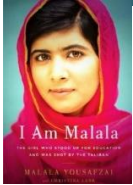

- I prefer a combination of both (fiction and non-fiction)
